# Authentic Thai cuisine – or simpley Green Curry at the riverside

Enjoy authentic Thai cuisine at the riverside's Thaigarden situated at the elegant glass pavilion. From delicious Currys to tasteful hot wok dishes, you can indulge in a variety of flavours and ingredients.

In former times, Thai cuisine was characterized by the element water. Meals were mainly composed of seafood and aquatic plants. In the beginning of the 17th century influenced by China, India, and Europe, Thai cuisine developed its own identity.

The authentic Thai cuisine combines all flavours, such as bitter, sweet, sour, spicy and salty. Dishes are either fried, steamed, braised or grilled. The artful and magnificent fruit and vegetable carvings derive their origin from the king's court. This ancient Thai art form originally from Siam is called kae sa luk and is still celebrated today.
